

# posit:conf(2023) Highlights - Round Table Discussion

Johannesburg R User Group Meetup

10<sup>th</sup> October 2023, 18h30 to 20h00 (GMT+2)

In-person (Microsoft, Bryanston)

[https://www.rusergroup.co.za/our\\_events.html](https://www.rusergroup.co.za/our_events.html)

# R Community Code of Conduct

A member of the R Community is:

**Open**  
Members of the community are open to collaboration, whether it's on projects, working groups, packages, problems, or otherwise.

Members of the community are considerate of their peers.

Members of the community are respectful.

Overall, we're good to each other. We contribute to this community not because we have to, but because we want to. If we remember that, these guidelines will come naturally.

# Call for Participation

## Speakers

Interested in speaking or would you like to propose an event, hackathon, panel discussion, round table or any sort of initiative.

## Attendance

Bring a friend

# Developer Communities @ Microsoft JHB Office

10 Oct 2023

# Where to find us

Website <https://www.rusergroup.co.za>

Meetup <https://www.meetup.com/joburg-r-users-group>

GitHub <https://www.github.com/rusergroupcoza>

# Community News (Powered by [www.rweekly.org](http://www.rweekly.org))

- How to translate your package's messages with {potools}
  - <https://masalmon.eu/2023/10/06/potools-mwe/>

## Create the translation file for French and fill it

Then I run `potools::po_create("fr")` to create the file holding the translation of the string to French.

I obtain this `po/R-fr.po` file where I edit two lines (Last-Translator, and msgstr at the bottom):

# Community News (Powered by [www.rweekly.org](http://www.rweekly.org))

- An overview of what's out there for reproducibility with R
